

MUT AND DAVID WITH LITTLE SOO AND MAGGAL

Written and Illustrated by Micah

climate change is spreading

and you're just cutting down all the trees which is our habitat!

We must have an end to this

We can't do it all on our own we need help!

Yo Mut, and David please can you help the environment?

I guess so. yeah ok

great then let's get started!

ah what can we do to help

well you could
plant more trees.

Turn off lights
if not needed.
Save gas.

Be a tidy kiwi!

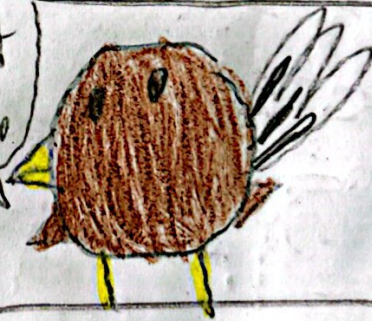

hey like you

aw chucks.

don't
litter.

to reduce,
reuse
and
recycle

take five
minute
show-
ers

Wow there's
so many ways
to be a Kaitiaki

your sure
Uright Mut.

Well we cant just
sit on
our butts
doing
nothing

thanks
soo

that's the
spirit David

Comen
guys lets
get started

I planted
a baby
tree

Time to stop
pollution.

THE END
