

# Save the World

In the shadow of the dark

We have made a mark

We are not our best.

Instead, it's like the world is a pest

We need to understand to

Love and admire our land.

If there was no war

No one would be poor.

If we listen to God

The world will not be dreadfully odd

We litter we steal, think

About those families who don't have a meal.

We need to help our environment. To

Not litter. Help animals and the poor.

Stop War. Do not steal.

Listen to rules. Have Fun!
